Portfolio: stephen-villeta.vercel.app

EDUCATION

Manuel S. Enverga University Foundation
Bachelor of Science in Computer Science, Major in Software Engineering
GWA: **1.33** (1.00 = highest)

Lucena City, Philippines
Expected June, 2027

WORK EXPERIENCE

DataAnnotation.tech
Freelance AI Trainer, Software Engineering

Remote
Sep, 2026 – Present

- Completed **10+ AI training projects**, spanning model comparisons, code evaluation, and response writing.
- Compare responses from competing AI models and write well-reasoned critiques on which is stronger and why.
- Review code for correctness, identify bugs, and write code-related responses that improve AI coding accuracy.

PROJECT LEADERSHIP

Procurement Workflow Optimization System | *Team Leader*
Live • Used by 66 Departments

- Led a team of 3 to deliver the university's **official online procurement system**, now used by **66 departments**.
- Mapped the procurement approval process into a system that **flags bottlenecks and forecasts delays**.
- Owned delivery end to end as the team's sole developer, from system design to deployment.

Tech: C#, .NET, SQL • Undergraduate Thesis

CheckMatePH | *Project Manager*
Top 6 Team • National Hackathon

- Managed a **team of 7** to a **Top 6 team finish** in a national hackathon with 353 student participants.
- Coordinated the build of an AI-powered fact-checking platform and designed its front end.

Tech: Next.js, Supabase, OpenAI API • SIKAPTala 2026

Unloque | *Project Manager*
Welfare Analytics Platform

- Managed a **team of 4** building a welfare platform with real-time maps and AI insights on underserved areas.
- Developed the platform's client-side mobile app.

Tech: Flutter, Firebase, Next.js

SKILLS

Project Management:	Team Leadership, Project Planning, Requirements Analysis, Stakeholder Communication
